

Full face mask Type 9002

Execution

Extremely lightweight full face mask with frameless panoramic visor. The mask body is made of soft, skin-friendly TPE material and is easy to maintain and clean. With EasyLock® filter system for quick, easy operation. Combination with Moldex gas and particle filters, e.g. art. no. 93009 286-288 requires no additional accessories. Straps allow the mask to be put on and taken off easily. Supplied without filter. Tested in accordance with EN 136:1998 Class 2

Delivery

Supplied without filter.

Notes

For suitable filters see art. no. 1093009 286–288.
