

Replacement filter Force™ Classic

Execution

Force™ classic replacement filter for Force® 8 half face masks, art. no. 1093009770-772 and Force® 10 Typhoon™ full face masks, art. no. 1093009773-775. The filters have an integrated maintenance-free, one-way inhalation valve. The series features a flat design that ensures compatibility with other PPE such as face shields and provides low breathing resistance. Durable design, easy maintenance and cleaning. Tested in accordance with EN 14387 and EN 143.

Technical Data

Product number	1093009 790
Category	III
Manufacturer Part Number	BMN380-011-700
Commodity Code	90200090
