

Replacement filter Secure Click™

Application

For use with 3M™ Secure Click™ reusable respirators

Execution

- Dual flow replacement filter for simple, fast, secure click connection with Secure Click™ reusable respirators
- The filters have low breathing resistance and are to be used in pairs
- Balanced shape curves to the rear to enlarge field of view and increase comfort while wearing

Delivery

Delivered in pairs

Notes

For suitable Secure Click™ reusable respirators, see art. no. 1093010 425-426.

Technical Data

Product number	1093010 427
Category	III
Manufacturer Part Number	D3135
Commodity Code	59119099
