

### Quick-wrap tape

#### Application

For attachment of tool eyelets.

#### Execution

Quick-wrap tape is used with 3M™ DBI-SALA® tool eyelets (art. no. 93010 976–978) to instantly create attachment points on virtually any tool. Adapts to the shape of the tool and impresses with its good stretching properties, high tear resistance and adhesive strength thanks to the proprietary 3M™ material. Roll approx. 274 x 2.54 cm.

### Technical Data

Product number	1093010 979
Length	274 cm
Manufacturer Part Number	1500175
EAN Code	3660570042878
Commodity Code	39219010
