

Railing rope Grillon 10 m

Application

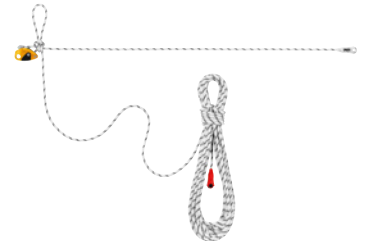

Temporary horizontal railing rope.

Execution

The GRILLON railing rope enables a horizontal railing rope to be installed quickly over a large work area. The integrated self-locking and continuously variable clamping device enables easy length adjustment depending on the distance between the two anchor points. The sewn-in plastic-coated end connections keep the connecting element in the correct position and protect the rope from abrasion. Tested in accordance with EN 795 C.

Notes

Connection element not included. For suitable connection elements (carabiners), see art. no. 1093010 224, 1093010 226-227.

Technical Data

Product number	1093010 223
Category	III
EN standard	795-C
Application area of fall protection	Temporary horizontal anchoring device
Manufacturer Part Number	L052AA04
EAN Code	3342540821538
Commodity Code	76169990
