

### Plaster dispenser QuickFix WATER RESISTANT

#### Application

The plasters are waterproof and especially suited to humid working environments.

#### Execution

The lockable QuickFix dispenser is just 23 cm wide and 13.5 cm in height and can hold 90 plasters despite its compact size. Plasters are always immediately available, the packaging is automatically removed when the plaster is pulled out. The system can therefore be operated with one hand, without getting other plasters dirty. Quick, easy and hygienic first aid for minor injuries.

#### Delivery

QuickFix dispenser, filled with 2 x 45 WATER RESISTANT plasters

#### Notes

For replacement plasters (refill set), see art. no. 1093009 695.
