

### Wall box For 2 eyewash bottles

#### Execution

Storage wall box for 2 x 500 ml eyewash bottles, art. no. 1093009 185. Equipped with screw holes and fastening material, this box can be installed in all potentially hazardous areas and provides immediate access to eyewash bottles in cases of emergency. The box protects the bottles from dust and dirt and ensures that they are immediately ready to use. A mirror affixed in the lockable lid aids in the targeted use of the eyewash.

#### Delivery

Supplied without eyewash bottles
