

Floor squeegee Metal body

Application

Suitable for broom handles with a diameter of 24 mm. Broad range of uses, ideal for demanding applications.

Execution

- Metal body in rugged design with double foam rubber lip
- Riveted steel handle holder for particularly sturdy handle grip

Notes

For broom handle, see art. no. 1066537 101.

Technical Data

Product number	1066534 102
Manufacturer Part Number	6140
EAN Code	4024496104437
Commodity Code	96039099
