

Wooden handle For street brooms

Application

Ideal for demanding applications with an increased material load. Suitable for brooms, scrubbing brushes and other devices with full length handle hole (not suitable for POWER-STICK PVC handle holder).

Execution

- Top quality wooden handle, made in Germany
- Extremely robust, durable and sturdy thanks to design in hardwood with particularly minimal residual moisture

Notes

For brooms, see art. no. 1066535 101.

Technical Data

Product number	1066535 102
Diameter	28 mm
Manufacturer Part Number	2071
EAN Code	4024496104499
Commodity Code	44170000
