

Hammer stapler J-044 G

Application

For use with Novus G flat wire staples (type 11) from 6 to 12 mm.

Execution

- Perfect grip handle: Non-slip handle for safe and effortless use
- Quick-loading system: Integrated staple slider for rapid refilling
- Volume plus: Large filling capacity for quicker, easier and less frequent refilling
- Surface protection: Wide deflector plate for optimal surface protection and no damage to stapled materials
- Staple indicator: Clear view of the staple fill level
