

Electric stapler J-105 EADHG

Application

Suitable for fine wire and flat wire staples up to 14 mm and nails up to 16 mm.

Execution

- Quick-loading system: Bottom-loading mechanism with safety unlocking for simple refilling of staple magazine
- Precise plus: Long nose for precise work in hard-to-reach places
- A row of staples can be stapled parallel at one height using the distance holder
- Interchangeable front plate to adjust the stapler from working with fine wire staples and nails to flat wire staples
- Electrically adjustable impact force to suit the material
