

Electric stapler PTK 14 EDT

Application

For a wide range of applications - with staples and nails - for fastening thin materials to wood.

Execution

- Versatile universal stapler with maximum user comfort
- DuoTac: Optional dispensing of two staples for greater tear resistance
- Electronic impact adjustment for optimum results when using different staple lengths and material types
- Soft grip for effortless work and safe, comfortable handling
- Easy-to-use Push + Release system for controlled triggering: Press the stapler nib against the workpiece and push the switch
- Easy-fill stapler magazine with refill indicator
- Bosch electronics: Speed control via push-button switch

Delivery

Incl. 1,000 staples (type 53).

Notes

For suitable staples, see art. no. 1092308.
