

Pica Ink deep hole marker Pica-Ink®

Application

Ideal for hard-to-reach areas. Writes on almost all dry surfaces.

Execution

- Alcohol-based permanent ink
- Three times the writing performance thanks to the movable and self-adjusting telescopic tip: The full 7 mm length of the writing wick can be used rather than the usual 2 mm
- The fibre tip can be flipped over for a „second life“
- New quiver protector with reinforced special clip for strong, durable support in pockets: The prerequisite for perfect one-handed operation

Advantage

- Immediately water-resistant and abrasion-resistant
- Can be removed from smooth surfaces with alcohol/spirit

Notes

After use, firmly place the deep hole marker back into the cap.
