

### Pneumatic marker MST 31 M

#### Application

For applying markings and labels to metal, glass and plastics.

#### Execution

- With medium engraving needle
- Patented based on a new principle with approximately 3x the frequency of previous pneumatic markers

#### Advantage

- Very high stroke frequency
- No harmful vibrations are transferred to the hand while working

#### Delivery

- 1x air supply hose, 2 m, with threaded connector 1/4 inch outside and push-in tip with thread (STG)
- 1x TC engraving needle

### Technical Data

Product number	1078466 101
Manufacturer Part Number	4007220231081
EAN Code	4007220231081
Commodity Code	84671110
