

Soldering wire Lead-free (ISO 9453)

Application

Standard soldering wire for fine soldering in electronics, electrical engineering, telecommunications engineering and electric motor manufacturing.

Execution

- DIN EN ISO 9453, S-Sn99Cu1 (Sn99.3Cu0.7 - eutectic)
- Lead-free special alloy
- Silver-free
- 2.5% flux content in accordance with DIN EN 29454, 1.1.2.B (EN 61190 - ROM1)

Technical Data

Product number	1070303 101
Unleaded	Yes
Manufacturer Part Number	18941020
EAN Code	4005796189416
Commodity Code	83113000
