

Tungsten electrode grinding device TURBO-SHARP® X

Execution

- Fully encapsulated housing protects against dangerous grinding dust
- 3-way adjustment of the sanding disc via adapter ring for 6x utility of double-sided use of the sanding disc
- Multifunctional cover with integrated opening slide for flat grinding of electrodes or to give electrodes a tapered shape (ideal for welding aluminium)
- Stepless grinding angle adjustable from 20° to 60°
- Can be connected as standard to existing extractor fans
- Optional orbital set with which tungsten electrodes up to a maximum length of 15 mm can also be ground

Delivery

1 grinding device with sanding discs, 1 multifunctional cover, 1 mounting bracket for stationary use, 1 standard head for electrodes with a diameter of 1.6/2.0/2.4/3.2 mm, 1 suction nozzle for connecting to an extractor fan, 1 size 1 Spannfix clamp holder, 1 assembly tool, operating instructions, in metal case.

Notes

For replacement sanding discs, see art no. 1070725 101.

Technical Data

Product number	1070725 101
Number of pieces in assortment/set	7
Manufacturer Part Number	950555
EAN Code	4024496106400
Commodity Code	83111000
