

Permanent magnetic joint

Application

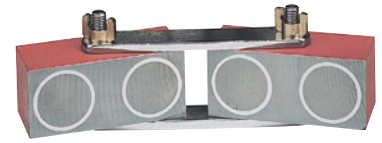

Welding aid for securing sheet metal, flat and profile strips. Particularly suitable for working in the most confined spaces thanks to the small dimensions.

Execution

- Two magnetic blocks are connected by a joint and can be firmly clamped at any angle

Notes

Can also be used individually!

Technical Data

Product number	1070812 201
Manufacturer Part Number	00025 201PM
EAN Code	4024496106493
Commodity Code	85051190
