

### Magnetic welding angle

#### Application

For effective clamping of welded parts.

#### Execution

- Fixed, 45° and 90°
- Lightweight design
- Strong adhesive force
- Insensitive to welding temperatures
- Fully shielded magnetic system

### Technical Data

Product number	1070820 202
Manufacturer Part Number	BM 40.008/C
EAN Code	4024496106523
Commodity Code	85051910
