

Sheath and wire-stripping tool No. 1 Cat

Application

For PVC-insulated data cables (e.g. cat 5, cat 6 or cat 7 cables, twisted pair cable) with a diameter of 4.5-10 mm.

Execution

- The stripping blades are TiN-coated

Advantage

- The cutting depth does not need to be adjusted to the respective diameter, as the special blade position perfectly removes the outer insulation and the foil shielding can then also be scored and removed

Technical Data

Product number	1062109 302
Manufacturer Part Number	460121
EAN Code	4011391305007
Commodity Code	82119300
