

### Universal stripping tool ErgoStrip®

#### Application

Universal tool for stripping sheathing and insulation.

#### Execution

- Innovative, ergonomic pistol grip design for easy cutting, pulling and longitudinal cutting of sheathing
- Tapered tool ends for better accessibility in tight spaces
- Stripping tool for cross-sections 0.2/0.3/0.8/1.5/2.5/4 mm<sup>2</sup>
- Positioning bars facilitate the insertion of single conductors for stripping
- Opening guide for convenient insertion of coaxial and data cables
- Multi-component design with soft plastic zone for comfortable use and a secure hold
- Housing made from rigid fibreglass-reinforced plastic

### Technical Data

Product number	1062110 101
Manufacturer Part Number	16 95 02 SB
EAN Code	4003773082910
Commodity Code	82119200
