

### ERGO paint scrapers

#### Application

Specifically for precise scraping of paint, glue, rust etc. on windows or in tight corners.

#### Execution

- Narrow blade mount and precision thumb grip
- Includes triangular carbide blade and belt holder
- matching blades – triangular, droplet, pear and round shape

#### Advantage

- With ergonomic two-component handle for a secure hold, even when high force is used

### Technical Data

Product number	1073317 101
Blade length	25 mm
Blade width	25 mm
Material of handle	2-component plastic
Manufacturer Part Number	7311518221614
EAN Code	7311518221614
Commodity Code	82055910
