

Sealing tape

Application

For threaded fittings. Resistant to virtually all chemicals. Sealing against liquid, steam and gases, approved in accordance with DIN-DVGW, can therefore also be used for all-gas seals.

Execution

- PTFE sealing tape made from high-quality plastic

Technical Data

Product number	1061381 201
Roll width	12 mm
Length	12 m
Manufacturer Part Number	06109110100
EAN Code	4024496101757
Commodity Code	39201040
