

Compressed air push-in tip made from steel

Application

Compressed air push-in tip for pneumatic hoses, for further adaptation of connection couplings

Technical Data

Product number	1075114 205
Type	243.10 ST
Suitable for hose internal diameter	13 mm
Length	48 mm
Connection	LW 13
Min./max. ambient temperature	-20 to 100 °C
Material	Steel, case-hardened
Manufacturer Part Number	243.10 ST
Commodity Code	73079980
