

### Compressed air push-in tip with male thread made from steel

#### Advantage

- More durable than brass coupling connectors

### Technical Data

Product number	1075114 210
Min./max. ambient temperature	-20 to 100 °C
Min./max. operating pressure	0-35 bar
Material	Steel, case-hardened
Manufacturer Part Number	243.56 ST
Commodity Code	73079910
