

Compressed air push-in tip made from steel

Application

Compressed air push-in tip for pneumatic hoses, for further adaptation of connection couplings

Technical Data

Product number	1075114 203
Type	243.07 ST
Suitable for hose internal diameter	9 mm
Length	48 mm
Connection	LW 9
Min./max. ambient temperature	-20 to 100 °C
Material	Steel, case-hardened
Manufacturer Part Number	243.07 ST
Commodity Code	73079980
