

### Dry vacuum cleaner

**KÄRCHER**

#### Application

Specially developed for professionals in commercial cleaning, the dry vacuum cleaner ensures comfortable, ergonomic vacuuming without back strain thanks to its handy, anti-static elbow with clip system, stepless suction power adjustment and large foot switch. The permanent main filter basket enables cleaning with or without a filter bag, while the large and extremely robust and impact-resistant container reliably protects furniture and other fixtures and fittings from damage due to its circumferential impact edge.
