

### Dry vacuum cleaner

**KÄRCHER**

#### Application

Specially developed for professionals in the commercial cleaning sector, the dry vacuum cleaner offers comfortable, ergonomic vacuuming that is gentle on the back, with no need to bend down thanks to the handy, anti-static elbow with clip system, infinitely variable suction power adjustment and the large foot switch. The permanent main filter basket enables cleaning with or without a filter bag, while the large, extremely robust and impact-resistant container with impact edge reliably protects furniture and other fixtures and fittings against damage.
