

Gauge slide for electronic length measuring probes FMS Straight and offset measuring faces

Application

For applications in multi-point measuring technology. Particularly suitable for measuring tasks in which features are close together. The probes are mounted directly on the electronic length measuring probe FMS.

Advantage

- Gauge slide can be moved and individually adapted to measuring tasks
- Fastening screw for fixing the gauge slides accessible from above

Technical Data

Product number	1001331 690
Gauge slide type	VBP
Scanning offset to centre axis	12.2 mm
Scanning offset	Left
Probe surface width	0.7 mm
Probe surface height	2.2 mm
Manufacturer Part Number	02630050
EAN Code	7630041111972
Commodity Code	90319000
