

Gauge slide for electronic length measuring probes FMS Straight and offset measuring faces

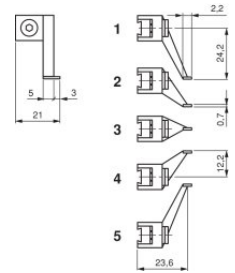

Application

For applications in multi-point measuring technology. Particularly suitable for measuring tasks in which features are close together. The probes are mounted directly on the electronic length measuring probe FMS.

Advantage

- Gauge slide can be moved and individually adapted to measuring tasks
- Fastening screw for fixing the gauge slides accessible from above

Technical Data

Product number	1001331 688
Gauge slide type	VCN
Scanning offset to centre axis	12.2 mm
Scanning offset	Right
Probe surface width	0.7 mm
Probe surface height	2.2 mm
Manufacturer Part Number	02630048
EAN Code	7630041111958
Commodity Code	90319000
