### Application

Ideal for long-term measurements on refrigeration and air conditioning systems and heat pumps thanks to long runtime (360 hours) and large data memory

### Execution

- Long-term measurements with intelligent error analysis in the testo Smart app
- Simple handling and maximum flexibility: Wireless measurement of temperature, vacuum, refrigerant weight and current through automatic pairing with the Bluetooth® probes
- Suitable for applications with A3 and A2L refrigerants
- Refrigerant management in the app simplifies processes
- Very high precision even at low pressure values thanks to a measuring accuracy of 0.25 % FS

### Delivery

- 1x testo 570s digital four-way manifold incl. lithium-ion rechargeable battery
- 2x testo 115i wireless clamp thermometers
- 1x testo 552i wireless vacuum probe
- 1x testo 770-3 TRMS clamp meter
- 1x transport case
- 1x operating instructions

### Notes

testo Smart app (free download)

## Technical Data

Product number	1033965 403
Length	229 mm
Width	112 mm
Height	71 mm
IP protection class	IP 54
Manufacturer Part Number	0564 5704
Commodity Code	90262020
