

Internal corner lathe chisel carbide-tipped Right-hand version

Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

Technical Data

Product number	1018865 210
Shank width	12 mm
Shaft height	12 mm
Length	180 mm
Min. bore diameter	21 mm
Manufacturer Part Number	124974R1212P10
EAN Code	4030456142739
Commodity Code	82078019
