

Internal corner lathe chisel carbide-tipped Right-hand version

Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

Technical Data

Product number	1018865 213
Shank width	25 mm
Shaft height	25 mm
Length	300 mm
Min. bore diameter	43 mm
Manufacturer Part Number	124974R2525P10
EAN Code	4030456143439
Commodity Code	82078019
