

### Internal corner lathe chisel carbide-tipped Right-hand version

#### Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

### Technical Data

Product number	<b>1018865 205</b>
Shank width	20 mm
Shaft height	20 mm
Length	250 mm
Min. bore diameter	34 mm
Manufacturer Part Number	124974R2020M102
EAN Code	4030456143187
Commodity Code	82078019
