

### Internal corner lathe chisel carbide-tipped Right-hand version

#### Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

### Technical Data

Product number	<b>1018865 203</b>
Shank width	12 mm
Shaft height	12 mm
Length	180 mm
Min. bore diameter	21 mm
Manufacturer Part Number	124974R1212M102
EAN Code	4030456142708
Commodity Code	82078019
