

Internal corner lathe chisel carbide-tipped Right-hand version

Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

Technical Data

Product number	1018865 240
Shank width	20 mm
Shaft height	20 mm
Length	250 mm
Min. bore diameter	34 mm
Manufacturer Part Number	124974R2020K102
EAN Code	4030456143149
Commodity Code	82078019
