

### Internal corner lathe chisel carbide-tipped Right-hand version

#### Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

### Technical Data

Product number	1018865 216
Shank width	10 mm
Shaft height	10 mm
Length	150 mm
Min. bore diameter	18 mm
Manufacturer Part Number	124974R1010P20
EAN Code	4030456142500
Commodity Code	82078019
