

Internal corner lathe chisel carbide-tipped Right-hand version

Execution

- Carbide lathe chisel DIN 4974
- Right
- Approach angle 88°
- With soldered ISO cutting edges in accordance with DIN 4950
- Cutting edges carbide-tipped.

Technical Data

Product number	1018865 239
Shank width	16 mm
Shaft height	16 mm
Length	210 mm
Min. bore diameter	27 mm
Manufacturer Part Number	124974R1616K102
EAN Code	4030456142906
Commodity Code	82078019
